Choosing questions (shuffle questions)

The screenshot shows the Moodle quiz editing interface. A dialog box titled "Choose a question type to add" is open, displaying a list of question types. The "Multiple choice" option is selected, indicated by a red arrow and the Arabic text "اسئلة من اختيار متعدد". Below the dialog, the "Shuffle" checkbox is checked, also indicated by a red arrow and the Arabic text "اضافة اسئلة" and "خط الاسئلة". The background shows the quiz editing page with a sidebar on the left and a main content area on the right.

Choose a question type to add

QUESTIONS

- Multiple choice
- True/False
- Matching
- Short answer
- Numerical
- Essay
- All-or-Nothing Multiple Choice
- Calculated
- Calculated multichoice
- Calculated simple
- Drag and drop into text

Allows the selection of a single or multiple responses from a pre-defined list.

Adding questions (One or multiple answers?)

The screenshot shows a sidebar on the left with navigation options: 'شهادة متقدمة (CS 310) 1', 'Participants', 'Grades', 'General' (highlighted), 'Topic 1', 'Topic 2', 'Topic 3', 'Topic 4', 'Dashboard', 'Site home', and 'Calendar'. The main content area is titled 'General' and includes a 'Category' dropdown set to 'Default for CS 310 (1) شهادة 1'. Below this are fields for 'Question name' (containing '1.') and 'Question text' (containing 'Which of the following is not an input device?'). The 'Question text' field has a rich text editor toolbar above it. Red Arabic annotations 'اسم السؤال' and 'نص السؤال' point to the respective fields. A 'Path: p' label is visible at the bottom left of the question text area.

One or multiple answers?

One answer only

Multiple answers allowed

One answer only

Adding questions

Number the choices?

The screenshot shows a question editor interface. On the left is a sidebar with navigation options: 'ش1 برمجة متقدمة (CS 310)', 'Participants', 'Grades', 'General' (highlighted), 'Topic 1', and 'Topic 2'. The main area contains settings for a question:

- 'One or multiple answers?' is set to 'One answer only'.
- 'Number the choices?' has a dropdown menu open with options: 'a., b., c., ...', 'A., B., C., ...', '1., 2., 3., ...', 'i., ii., iii., ...', 'I., II., III., ...', and 'No numbering'. The 'a., b., c., ...' option is highlighted.
- 'Show standard instructions' has a help icon.
- 'Answers' is expanded.
- 'Shuffle the choices?' is checked, with a red annotation 'خلط الخيارات' (Shuffle the choices).
- A red annotation 'طريقة ترقيم الخيارات' (Choice numbering method) points to the 'Number the choices?' dropdown.

Questions' Choices

The screenshot displays a user interface for managing question choices. On the left is a navigation sidebar with the following items: 'شهادة (CS 310) برمجية متقدمة', 'Participants', 'Grades', 'General' (highlighted), 'Topic 1', 'Topic 2', 'Topic 3', 'Topic 4', 'Dashboard', 'Site home', 'Calendar', 'Content bank', and 'My courses'. The main area is titled 'Answers' and contains two choice configurations:

- Choice 1:** The answer is 'الاجابة الأولى' (The first answer). The text area contains the word 'Scanner'. The 'Grade' is set to 'None'. The 'Feedback' text area is empty.
- Choice 2:** The answer is 'الاجابة الثانية' (The second answer). The text area contains the word 'Mouse'. The 'Grade' is set to 'None'. The 'Feedback' text area is empty.

Each choice configuration includes a rich text editor with a 'Paragraph' dropdown and icons for bold, italic, list, link, unlink, image, and smiley. A 'Path: p' field is located below each text area.

Importing questions from QB

The screenshot shows a Moodle quiz page for 'CS 310 Final exam0'. The page is in Arabic and displays the following information:

- Quiz title: CS 310: برجة متقدمة
- Participants, Grades, and General sections are visible in the left sidebar.
- Quiz description: 'The final exam of CS 310: It contains X questions in 75 minutes.'
- Attempts allowed: 1
- Start time: Tuesday, 12 January 2021, 11:00 AM
- End time: Wednesday, 13 January 2021, 12:20 PM
- Time limit: 1 hour 15 mins
- Buttons: 'محاولة الدخول الى الاختبار' (Attempt quiz now) and 'Attempt quiz now'
- Progress indicator: 'q3 (hidden)'
- Footer: 'Moodle Docs for this page', 'You are logged in as دنورالدين العوض (Log out)', 'CS 310: برجة', and 'Get the mobile app n1'

Red annotations in Arabic are present:

- 'تغيير الاعدادات' (Change settings) near the top right.
- 'تحرير الاختبار' (Edit quiz) and 'معاينة الاختبار' (Preview) near the middle right.
- 'النتائج' (Results), 'العلامات' (Grades), 'اجابات الطلبة' (Responses), and 'احصاءات النتائج' (Statistics) near the middle right.
- 'تصحيح يدوي' (Manual grading) near the middle right.
- 'بنك الأسئلة' (Question bank), 'الأسئلة' (Questions), 'الفئات' (Categories), 'استيراد' (Import), and 'تصدير' (Export) near the bottom right, enclosed in a red box.

The dropdown menu on the right side of the page includes the following options:

- Edit settings
- Group overrides
- User overrides
- Edit quiz
- Preview
- Results
- Grades
- Responses
- Statistics
- Manual grading
- Permissions
- Check permissions

Choosing the format / file

The screenshot shows the Moodle course settings interface. On the left is a navigation menu with the following items: 'شهادة (CS 310) برمجية متقدمة', 'Participants', 'Grades', 'General' (highlighted in green), 'Topic 1', 'Topic 2', 'Topic 3', 'Topic 4', 'Dashboard', 'Site home', 'Calendar', 'Content bank', and 'My courses'. The main content area is titled 'Import questions from file'. It contains a section for 'File format' with a red warning icon and the text 'التسبيق الخاص باستيراد أسئلة اختيار من متعدد'. Below this are radio button options for 'Aiken format', 'Blackboard', 'Embedded answers (Cloze)', 'Examview', 'GIFT format', 'Missing word format', 'Moodle XML format', and 'WebCT format'. The 'Aiken format' option is selected. Below the 'File format' section is a 'General' section. Underneath is the 'Import questions from file' section, which includes an 'Import' label, a red warning icon, and the text 'اختيار الملف'. A file selection button labeled 'Choose a file...' is present, and a text box below it contains the filename 'qb.txt'.

Choosing the format / file import from file that contains **Arabic** questions

The image shows two side-by-side screenshots. The left screenshot is a browser window displaying the Moodle 'Import questions from file' page. The 'File format' section is expanded, showing options like Aiken format, Blackboard, Embedded answers (Cloze), Examview, GFT format, Missing word format, Moodle XML format, and WebCT format. The 'Import questions from file' section has a 'Choose a file...' button and a file input field containing 'Questions in Arabic.txt'. A green 'Import' button is visible below. The right screenshot is a Notepad++ window titled 'Questions in Arabic.txt'. It contains a list of 25 numbered items, each representing a question or answer. The text is in Arabic. Items 1-6 are a question about the number of bits in a byte, with options A) 2, B) 8, C) 16, D) 1024, and answer B. Items 7-12 are a question about the program used for using a personal computer, with options A) Base of data, B) Data tables, C) Text processing, D) System operation, and answer D. Items 13-18 are a question about a device that can be connected to a computer, with options A) Monitor, B) Printer, C) Microphone, D) Speakers, and answer C. Items 19-24 are a question about a device that can be connected to a computer, with options A) System operation, B) Memory, C) Central processing unit, D) Mouse, and answer D. The status bar at the bottom of the Notepad++ window shows 'length: 609 lines: 25 Ln: 1 Col: 1 Pos: 1' and 'Unix (LF) UTF-8 INS'.

Import questions that contain equations (LaTeX format)

The screenshot shows the Moodle interface for importing questions. The left sidebar contains course navigation elements like 'Participants', 'Grades', and 'General'. The main content area has tabs for 'Questions', 'Categories', 'Import', and 'Export'. The 'Import' tab is active, showing the 'Import questions from file' section. Under 'File format', several options are listed, including 'Aiken format', 'Blackboard', 'Embedded answers (Close)', 'Examview', 'GIFT format', 'Missing word format', 'Moodle XML format', and 'WebCT format'. The 'General' section includes a file selection area with a 'Choose a file...' button and a text input field containing 'Question that contain equation.txt'. An 'Import' button is visible below the text field. A message at the bottom states 'There are required fields in this form marked with a red exclamation mark'. On the right, a code editor displays the following LaTeX code:

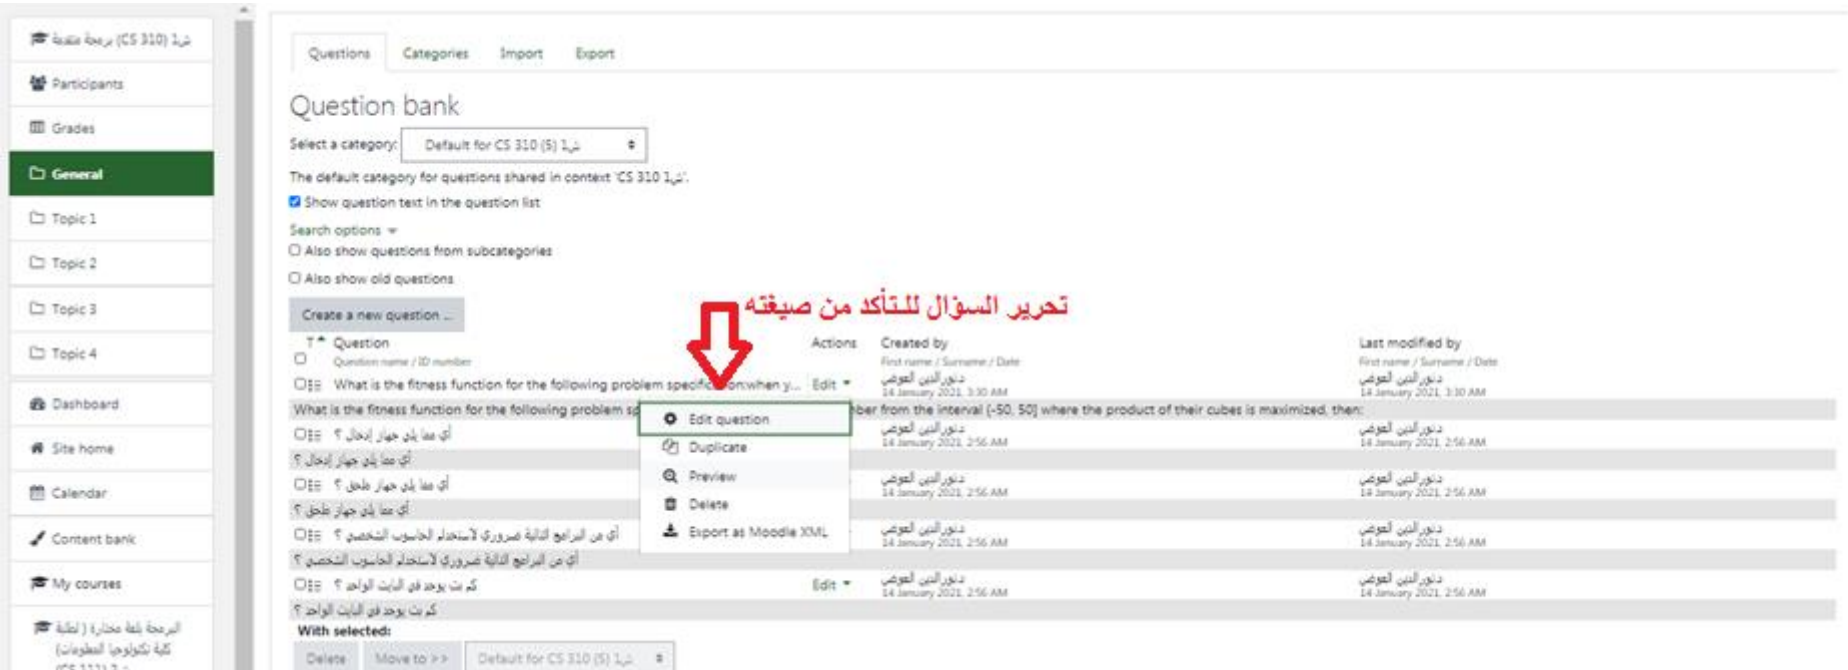

```
1 What is the fitness function for the following problem
2 A)  $\max_{x_i} \sum_{n=-50}^{50} x_i^3$ 
3 B)  $\max_{x_i} \prod_{n=-50}^{50} x_i^3$ 
4 C)  $\max_{x_i} \prod_{n=-50}^{50} x_i^2$ 
5 D)  $\max_{x_i} \sum_{n=-50}^{50} x_i^2$ 
6 ANSWER: B
```

Below the code, the Arabic text 'أسئلة تحتوي معادلات رياضية' (Questions containing mathematical equations) is written in red.

Importing...

The screenshot shows a user interface for importing questions into a course. On the left is a sidebar with navigation options: 'شعبة (CS 310) برمجة متقدمة', 'Participants', 'Grades', 'General' (highlighted), 'Topic 1', 'Topic 2', 'Topic 3', 'Topic 4', 'Dashboard', 'Site home', 'Calendar', and 'Content bank'. The main content area has a breadcrumb trail: 'Dashboard / My courses / برمجة متقدمة (CS 310) شعبة / General / Final exam / Question bank / Import'. Below this are tabs for 'Questions', 'Categories', 'Import', and 'Export'. Two green progress bars are visible: 'Parsing questions from import file.' and 'Importing 1 questions from file'. A question is displayed: '1. What is the fitness function for the following problem specification: when you choose a number from the interval $[-50, 50]$ where the product of their cubes is maximized, then:'. A green 'Continue' button is below the question. At the bottom, there is a 'Jump to...' dropdown menu showing 'q3 (hidden)'. On the right side of the interface, there is a red Arabic text overlay: 'عرض الأسئلة قبل استيرادها'.

The question has been added

The screenshot displays the Moodle question bank interface. On the left is a navigation sidebar with options like 'Participants', 'Grades', 'General', and 'Topic 1-4'. The main area shows a 'Question bank' for the category 'Default for CS 310 (5)'. A search filter is set to 'ش.1 (5)'. Below the search options, there is a 'Create a new question...' button and a table of existing questions. A red arrow points to the 'Edit question' button in the actions column of the first question row.

Export QB to a file

The image shows a Moodle interface with a sidebar on the left containing navigation options: Participants, Grades, General (highlighted), Topic 1, Topic 2, Topic 3, Topic 4, Dashboard, Site home, Calendar, and Content bank. The main content area has tabs for Questions, Categories, Import, and Export. A red box highlights the 'Export' tab, with a red arrow pointing down to the 'Export questions to file' form. The form includes a 'File format' section with radio buttons for Aiken format (selected), GIFT format, Moodle XML format, and XHTML format. A red annotation 'اختيار تنسيق التصدير' (Export format selection) is next to these options. Below is a 'General' section with an 'Export category' dropdown set to 'Default for CS 310 (13)'. There are checkboxes for 'Write category to file' and 'Write context to file', both of which are checked. A green 'Export questions to file' button is at the bottom of the form. A red annotation 'تصدير الأسئلة الى ملف' (Export questions to file) is next to the button. A red annotation 'تصدير الأسئلة الى بنك للأسئلة' (Export questions to question bank) is positioned above the 'Export' tab in the top navigation. At the bottom of the form, a message states: 'There are required fields in this form marked [red icon]'.

The screenshot displays the Blackboard LMS interface for a course titled "CS 310 (برمجة متقدمة)". The breadcrumb trail is "Dashboard / My courses / برمجة متقدمة (CS 310)". A "Midterm exam" is listed with the note "The exam contains 20 questions in 50 minutes." A red box highlights the "Exam1" label in the top navigation bar. Another red box highlights the "ش 2" (Section 2) label in the course title. A red arrow points from "Exam1" to the "Restore" option in a dropdown menu on the right. The dropdown menu includes options: "Turn editing on", "Filters", "Gradebook setup", "Backup", "Restore", "Import", and "More...". A red box highlights the "Restore" option. A red arrow also points from "ش 2" to the "Restore" option. A red text annotation in Arabic, "استعادة الاختبار الى شعبة اخرى في منصة مختلفة", is positioned near the "Restore" option.
